Grand Duchy of Luxembourg

Small country, Big opportunities

Luxembourg is one of the most attractive jurisdictions in Europe and in the world for savings, custody and investments.

Among the advantages of the jurisdiction are economic, political and legislative stability, business friendly regulation and a high level of security and information protection.

Unique architectural heritage

EWUB is the proprietor of Villa Foch and Villa Monterey, historical and architectural landmarks of Luxembourg.

Villa Foch is a classic example of late XIX century architecture. Currently it serves as the Bank's Head Office.

In 1918 French World War I hero Marshal Ferdinand Foch often visited the villa which now carries his name.
